# UPDATE FROM JAPAN

Osaka Bible Seminary — Jesus for Japan

No. 74, January-February 2017

**INTERNATIONAL NIGHTS:** We continue to be excited about our monthly International Night parties! Our good attendance has continued, even during the busy Japanese New Years time. Twenty attended and one-third of them were not yet believers! Then in February more than half of the 25 who attended are not yet Christians! The reason we have these parties is to provide a "non-threatening environment" to which non-Christians will feel free to come—and they keep coming back! Please pray that the Lord will use these times, not only for the wonderful fellowship of Christian people, but to bring others who attend into God's love and His plan with the intentional opportunity of sharing the FAITH!!

**OSAKA BIBLE SEMINARY** celebrates its 80th anniversary from its beginning in 1937! It continues faithful to its mission "to train preachers, pastors, evangelists and other Christian workers for the church!" There are congregations on all the main islands of Japan and on some of the smaller islands as well. OBS will have a booth alongside "Say Yes to Japan" at the International Conference on Missions in November in Peoria, IL. We hope to see you there!

**MONGOLIA UPDAE:** Our co-workers in Mongolia continue to reach out to the military. Three Lt. Colonels went to Western Mongolia in October, November and December and gave seminars in 5 provinces, teaching 5,000 young officers about ethics and leadership! They also shared the gospel privately and reported 73 positive responses. The Cadets ministry reaches many new cadets each year. They even have Bible studies in cars since they are not allowed to teach in the military units! Senior officers meet weekly and also preach the Word to young officers! Now they have begun a monthly outreach to Generals! We are all preparing for Interaction 2017 in August—a gathering of military leaders from Asian countries. I am writing a history of the ministry. Following Interaction we will celebrate Centurions Ministry's 20th anniversary! God is doing great things!

**KANSAI CHRISTIAN SCHOOL** will conclude 47 years of existence! We anticipate a 25-30% increase in enrollment next fall as we work to become accredited in 2019. Our three-person Leadership Team meets weekly to set goals and produce documents to satisfy the requirements of the Association of Christian Schools International and government registration. Please pray that the Lord will bless our commitment to a Christ-centered education.
