No. 59, May-June 2015

**U.S.A, HERE WE COME!** Getting ready to go to the States takes many weeks to establish our itinerary, plan presentations, get a good price on air tickets, arrange for a car, and communicate with congregations and individual supporters. In addition to that we have to prepare things here for the time we will be gone. We have both been very busy with Kansai Christian School responsibilities—me as board chairman and Rickie as Executive Assistant. She not only has to finish out the school year with accounts, programs, new students and other arrangements, but she has been working hard to get things ready for the beginning of school this fall. Writing our annual Osaka News (paper copy sent to some 1,100 addresses) has taken much time with many rewrites, choosing pictures, captions, updating the mailing list, etc. Osaka News should be out in July. If you are not on this list and would like to be, please let us know immediately by sending us your postal address. We have one more International Night, June 6th, and have that planned, including homemade ice cream! We are seeing "the light at the end of the tunnel" and look forward to our time in the States among our supporters, friends, and family. We leave June 11th and return August

**OSAKA BIBLE SEMINARY:** The new school year is off to a good start with our new students already giving their testimonies in chapel. One of our male students got married over the spring break!

**KANSAI CHRISTIAN SCHOOL:** We had some designated funds given to us 3 years ago from a VBS in Pennsylvania. We have just used that for new basketball goals, new benches for our playground and a storage bin for sports equipment. Another designated gift was given to us recently for musical instruments for KCS. THANK YOU!

Both do -it- yourself projects!

**INTERNATIONAL NIGHTS** are always both fun and meaningful! People come from long distances (up to an hour away) to have fellowship and get "refueled" for the month ahead! We anticipate some new guests to come next weekend, which will be our last International Night until September.

First one to say the other person's name when the blanket goes down gets a point!

**TRIP TO OKAYAMA:** We took a day off and went to the Tottori Sand Dunes on our way to the Okayama Christian Center Board Meeting a couple weeks ago. We took a picnic lunch and my RC glider to the sand dunes, then stayed overnight in Tottori before going to the board meeting. It was nice to get away, even though a fish hawk (kite) surprised us by swooping down between us, hitting our necks and taking my last bite of lunch, leaving his scratch mark on my thumb! ☹

### PRAYER MATTERS:

Chad and Jennifer, our son-in-law and daughter who serve the Lord in northeastern Japan, have just lost \$1,100 in monthly support from two churches who are having some internal difficulties. Please pray the Lord will provide for their needs and ministry! Also, we would appreciate your prayers for safety and stamina as we travel around 15,000 miles in the States this summer.
