Christian in the class is a big help in explaining biblical concepts to the non-Christian ladies! Recently three of the ladies from a former class came to visit Rickie after they heard about her hospitalization. They were absolutely shocked when they saw that Rickie is in good health!

MAY INTERNATIONAL NIGHT was again well-attended and a good time held by all. My devotional was a take-off on the new era name in Japan—*Reiwa*, meaning Beautiful Harmony. Our lives can be in harmony with our Maker as we allow

OSAKA BIBLE SEMINARY will host our friend, Dr. Gary Weedman this month. Gary, as Academic Dean, was Rickie's "boss" when they both served at Lincoln Christian University back in the early '80s before we came to Japan. After that he served at Johnson University as President and has just recently retired—but not from the Lord's service! We are looking forward to his lectureship at OBS the last week in May. He will be flying in from China but will return for additional lectures there.

KANSAI CHRISTIAN SCHOOL: We have good news! KCS received **Candidacy Status by the Western Association of Schools and Colleges** and we will have until June 2022 to continue working on the recommendations of the WASC commission. We hope to be fully accredited in two years. This is a major achievement for our school!

We recently enjoyed a drama put on by our 1st-8th graders about Daniel the prophet, entitled "Danny and the Shacks" (a play on the names of Daniel and his three companions). Two of our teachers, Chris Mason and Ikumi Yamada, worked with the children and the results were excellent!

We will soon be saying goodbye to one part-time and three full-time teachers and will welcome a new principal and three new full-time teachers. God used one of our good friends, J.K. Stevens, who notified a colleague who "happened" to be on an accreditation team visit with the lady who will be our new principal! What an amazing Lord we serve!

Nakaburi fellowship time

THE NAKABURI CONGREGATION continues faithfully as Brother Kimura puts a lot of work into his sermons. With three new believers among us, we all experience the wonder of God's plan for our lives.

Arrival at KIX

FAMILY is very important to us and it has been special to have Chris and Jocelyn, Amy and Johanna with us this month. Johanna has been with us since January studying Japanese and helping at KCS. We took a three-day trip to the Tottori Sand Dunes and to Matsue Castle, one of 12 original 400-year-old castles.
