No. 116 March-April 2022

The **BIG NEWS** this time is that Rickie's 8-hour Open Heart Surgery was successful. She came home 12 days after the surgery, shortened because of COVID. We rejoice in the Lord's blessing and the **many, many** prayers that held her up before God's throne of grace. God answered prayers from people from at least eight different countries around the globe and some 25 states. He is a loving Father and He has certainly attended our prayers! We praise Him for the extra time He has given us to serve Him together on this earth! Please continue to pray for her full recovery. Thank you!

A VERY SPECIAL TIME WITH FAMILY!: Our kids informed us that it had been 33 years since just our original family of six had been together! **Jennifer** flew down from Ishinomaki, where she, her husband Chad and their family work as missionaries. They moved there shortly after the big earthquake and tsunami hit the area in 2011 and have been there ever since. **Jocelyn** and **Jeremy** arranged it so they could meet at Chicago O'Hare and fly together to Japan. Jocelyn, Chris and family live in Columbia, MO, and Jeremy, Amy and Edison live in Raleigh, North Carolina. **Jonathan** flew in from Los Angeles and was able to be here for a shorter time. Jonathan, Chisato and Sean live in the L.A. area. The boys managed to do a lot of house repairs, and the girls scrubbed and cleaned! . Thank you!
